

EDM for MBA Students:

Vietnam MBA Graduate applications open!

Build on your experience's and learnings from your MBA degree with a full-time career at Microsoft. When you join us as an MBA Graduate, you also become a part of Microsoft's Academy of College Hires (MACH).

As a MACH at Microsoft, you will be immediately placed in a challenging role with specific learning roadmaps. You will be provided with the infrastructure and resources that will allow you to define and grow you career, including access to world-class learning solutions both online and in classrooms.

It's challenging. It's rewarding. It's everything you would expect of a World - Class program at one of the world's most advanced technology companies.

Find out what area of the business interests you...

[Apply Now.](#)

What you need to know

The MACH learning scheme is an 18-month comprehensive onboarding and development program that runs alongside your full-time job. As well as world-class training and coaching from some of the brightest minds, you can look forward to being part of a global community of over 1800 MACH peers in 60 countries.

- Applications close on the 25th September 2016

- We embrace diversity at Microsoft, so we won't discriminate based on your degree background or work experience. The most important thing is your passion for technology.
- To be eligible for our 2016 Graduate positions, you must be on-track to complete or within 6-months of graduation of part-time or full-time MBA AND have less than 7 years combined (full-time) work experience, from completion of an UG degree.

The University Recruiting Team look forward to reviewing [your application](#).

EDM for Undergrads & Non-MBA Master Students:

Vietnam Graduate applications open!

Build on your experience's and learnings from your university degree with a full-time career at Microsoft. When you join us as a master's or bachelor's Graduate, you also become a part of Microsoft's Academy of College Hires (MACH).
