About

The “Science and Technology Scholarship Program for Overseas Study for Master’s and Doctoral Degrees” (the Program) is a component of the “Science and Technology Resources Development Project for Vietnam” by Vingroup. From 2019 to 2030, each year, Vingroup will offer up to 100 fully funded scholarships for Master’s and Doctoral study programs, bringing the total number of full scholarships to 1,100 in 11 years.

The Program will offer scholarships for Vietnamese talents to study key areas at excellent universities in the world’s leading countries in science and technology including the United States, Russia, France, Australia, Israel, Japan, South Korea or Singapore.
